

Good Shepherd School
Annual Future Fund 2016-2017

*“Helping make GSS Available,
 Accessible and Affordable to all Parents!”*

Every year, donations from parishioners, grandparents, alumni, and friends help us carry out the mission of Good Shepherd Catholic School. Helping students take advantage of all that Good Shepherd has to offer, educating preschool through 8th grade students in an environment that inspires them to be compassionate and respectful Christ-centered leaders of tomorrow.

History has shown that our graduates excel academically in high school and college. We watch them graduate in the top 20% of their high school class and achieve honors as Valedictorian, Salutatorian and Dean’s List. Many of our students are offered scholarships to the University of their choosing.

The Good Shepherd Annual Future Fund is our annual appeal to help defray the costs of a Catholic education that tuition revenue and social fundraisers alone does not cover. Full tuition for one child without financial aid has reached \$5,000! The Fund will support all areas of GSS including curricular enhancements, technology upgrades, a quality art program, campus improvements and tuition assistance. Our students participate in our Advanced Math Program, use our Smart Boards, Computers and Science Lab. New to GSS are Chrome Books. Children have access to a school counselor several days a week.

Please join us and help us reach our \$30,000 goal. To date we’ve raised over \$15,000. In order to meet our goal ***we need 150 donors to donate \$100 by June 30.***

Because of our donors generosity and commitment we were able to meet our operational expenses, enhance our academic programs and keep tuition costs low this past year. More families will be able to stay in school and more families will consider Good Shepherd School for their children.
