

Principal's Welcome '18-'19

Welcome to Good Shepherd Regional Catholic School!

It was an amazing experience getting to meet many of you at my introduction in June. As I stated then and still feel strongly now, I am honored and blessed that the selection committee has chosen me to lead Good Shepherd and hope that prospective families will feel the same genuine warmth that I have received in my short time here. I wish you all to have an excellent summer and hope to see you throughout the summer and certainly in September.

Ray Bonnette, Principal
